

Noriel Sandoval
Workers' Compensation Specialist
DaVita Inc.

Experience

Noriel began his career in insurance in 2002 in the life and disability insurance sectors. In 2004, he joined the risk management team of Castle & Cooke and Dole Food Company as their risk claims analyst. He was involved in claims management, loss control, and corporate insurance renewals. In 2009, Noriel joined the risk management team of Fortune 500 company, DaVita, to manage their workers' compensation program.

Education

Noriel holds a bachelors degree in Applied Mathematics from UCLA. He obtained his Associate in Risk Management (ARM) designation in 2008 and his Associate in Claims designation (AIC) in 2010 from the Insurance Institute of America (IIA).

Noriel joined the Risk and Insurance Management Society Los Angeles Chapter Board of Directors in January 2010.
