

RIMS Chicago Coalition of Diversity, Equity & Inclusion in Insurance

On behalf of the Chicago RIMS Chapter, we are excited to invite you to join us as we highlight four organizations committed to the promotion of diversity, equity and inclusion. We will identify opportunities to partner with these organizations to foster the current and future generations of diverse talent in the insurance and risk management industry.

The event will feature a presentation by each organization, followed by the opportunity to take a deeper dive with each group in separate breakout rooms.

We look forward to working with you toward a better future!
