#### CONFERENCE BACKGROUND

The Western Regional Conference is the premiere risk management conference leading the field in addressing and combating risk. The 2017 theme is "Incubation to Innovation." With industry changes and regulatory oversight increasing, 2017 will be another year of transformation and growth in the risk industry. Come hear speakers share their experiences on challenges affecting their ecosystem, regulatory expansion and best practices to managing risk. The Western Regional Conference focuses on risk managers and sessions that provide relevant tools to mitigate risk within their organization. With registration exceeding 200 industry executives, the WRC conference is THE way to educate, connect and network with the most influential and exclusive group of risk professionals in the industry.
