

JOB ANNOUNCEMENT

MANAGER OF RISK CONTROL

We are currently seeking an experienced Risk Control leader and technician in the northern Los Angeles, California region. Under the direction of the Director of Risk Control, the successful candidate will be responsible for coordinating, conducting, and overseeing the completion of various risk management and risk control services for company clients.

The ideal candidate will possess the technical expertise needed to personally complete technical duties in the areas of inspections, program compliance, training, hazard assessment, and loss analysis. They will also possess an advanced knowledge of risk control strategies and regulatory requirements for private and public entity organizations, including CCR Title 8, Title 24, Federal OSHA, NFPA, EPA, Building Code, and ADA.

Candidates must have 5+ years experience with a multi-location, multi-sized customer and 2 years of Risk Management experience. Experience with the management of staff is desired. A familiarity with public sector operations is particularly valuable. The successful candidate must be able to demonstrate value through strong technical, customer service, writing, presentation, and communication skills. He or she should be able to handle and prioritize multiple projects. Certifications related to safety, insurance, and/or risk management are desired. A valid driver's license with an excellent driving record is required.

The position offers a competitive salary DOE and a comprehensive benefits package. For immediate consideration, please forward resume to: Poms & Associates, Attn: H.R. Dept., 5700 Canoga Avenue, Suite 400, Woodland Hills, CA 91367 / Fax: (818) 449-9329 Attn: Human Resources, or email to hr@pomsassoc.com.
