Dear Mr. Mitchell:

We are pleased to inform you that you are the recipient of the 2012 Cristy Award. On behalf of the Risk and Insurance Management Society, Inc., please accept my congratulations.

RIMS presents this award to the risk manager who obtains the highest academic average for all three examinations in the Associate in Risk Management (ARM) Program. The award honors the late Jim Cristy, a former RIMS Vice President – Education, for his pioneering efforts in developing the Insurance Institute of America's ARM Program in the mid 1960's.

Your award will be presented at the RIMS 2013 Annual Conference & Exhibition scheduled April 21-24, 2013, Los Angeles, California. The Awards Presentation Luncheon is scheduled on Monday, April 22th – 12:15 pm – 1:15 pm at the Los Angeles Convention Center.

We do hope that you will attend the Conference to personally accept the award and to receive the recognition due you for your educational achievement. We are pleased to offer you a "complimentary" RIMS Conference registration in Los Angeles.

Congratulations, once again!

Sincerely,

Fran Jordan  
Professional Development Operations Manager
