Dear Rebecca,

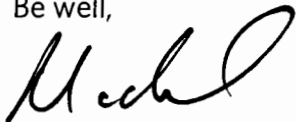

On behalf of the National Insurance Industry Council and City of Hope, I would like to thank you for your generous support of the 2008 *Spirit of Life*® Award dinner honoring Stephen Lilienthal.

This year's event was an incredible success raising nearly \$475,000 to fund patient care and research at City of Hope! This money will go to support leading edge research and treatment programs. Our goal at City of Hope is to find better, safer cures for cancers and other life threatening diseases. Events such as this enable us to move faster toward this goal.

Support for City of Hope now will result in cures for patients just a few years in the future. Just in the past few years, significant advances in treatment for a number of cancers have improved, new diagnostic tools have been developed, and we have seen for the first time a drop in the mortality rate associated with some cancers. We are grateful for your participation and in helping to make the act of giving meaningful and enjoyable. Progress against the disease is real, and events like this one make that progress possible.

Please know that through your support, you have helped to provide the means for us to better assist those facing cancer. Thank you for your patience and ongoing support of City of Hope and this event. We hope to see you again next year!

Be well,

Michael Sandler

Dear Mr./Mrs. Smith,

Writing this letter, I would like to thank you for your generous \$500 Los Angeles RIMS Scholarship. It was an honor to me to be selected as the recipient of your scholarship.

I am a Business Administration major with an emphasis in finance and management. I plan to pursue a career in finance upon graduating from Cal State Fullerton. I am currently a senior and plan to graduate in May of 2009. After graduation, I plan to attend a MBA program at either Cal State Fullerton or other graduate schools. Thanks to you, I am one step closer to that goal.

By awarding me the Los Angeles RIMS Scholarship, you have lightened my financial burden, allowing me to focus more on learning, the most important aspect of school. Your generosity has inspired me to help others and give back to the community. I hope one day I will be able to help students achieve their goals just as you have helped me.

Sincerely,

Dear Ms. Smith,

I am writing to thank you for your generous financial support. I am honored to be the recipient of the Los Angeles RIMS Scholarship. I was thrilled to learn of my selection for this honor and I am greatly appreciative.

I am the first person to attend college in my family. Growing up in a single-parent home where my mother had to work very hard to make ends meet has made me realize the importance and value of a college education. I have been faced with financial and academic challenges because I have been growing up in a less privileged community. As the only child, I was always expected to academically succeed and contribute partially to the family income since I was 15.

I am majoring in Business Administration with a concentration in finance. I am proud to say that I only have one more semester as a full-time student before I graduate with honors in May 2009 at California State University of Fullerton. The financial assistance you provided will be a great help in paying for my educational expenses.

Once again, I offer my sincerest thanks for your generous support.

Sincerely,

Mary Le
