

OPENING

Franklin Templeton Investments remains a leading global investment management organization for 60 years thanks to our greatest assets - our employees. With over 8,000 employees working in 30 countries around the world to service over 240 financial products, we offer an exceptional range of diverse career options. Our corporate values reflect the best of our employees. We believe in putting clients first, building relationships, achieving quality results, and working with integrity. We strive to bring a balance of work and life to our employees.

We're currently looking for qualified candidates to join our winning team.

DESCRIPTION

Provide the expertise and leadership for Franklin Templeton Investments in managing the design, development, marketing, placement, and maintenance of FTI's global corporate risk financing programs including insurance, self-insurance, and alternative risk financing. The specific risk areas to be addressed include professional liability, property, general liability, automobile, aircraft, crime, workers compensation and surety bonds. This position is not responsible for employee benefit programs.

**Essential duties and responsibilities include:**

- Identify, analyze, and evaluate corporate risk management issues and insurance solutions.
- Provide insurance and risk management resources and support to FTI's global business units.
- Manage all insurance company and insurance broker relationships.
- Manage all insurance policies, contracts and related documents.
- Manage the claims settlement process for all insurance programs except professional liability. Assist the Legal Department in settling the professional liability claims.
- Provide insurance related resources to FTI departments in areas of contract review, event planning and Certificates of Insurance processing.
- Globally monitor internal insurance related operational procedures to insure compliance with all locally specific regulatory laws and regulations.

ADDITIONAL REQUIREMENTS

**Ideal candidates will have:**

- 10+ years experience in insurance or insurance risk management
- 5+ years experience in insurance management in a large multi-national corporate environment
- BA/BS in Business Management, Economics, or Finance
- Chartered Property Casualty Underwriter certification and/or Associate in Risk Management designation
- Strong working knowledge of all types of insurance coverages
- Knowledge of business desktop applications (i.e.: Microsoft Word, Excel, PowerPoint)
- Knowledge of proper English usage, grammar, spelling, vocabulary and of generally accepted office practices
- Ability to understand and write contractual agreements
- Excellent oral and written communication skills
- Ability to establish and maintain cooperative working relationships with persons

contacted in the course of performing assigned duties including Company management and outside business associates

- Strong attention to details
- Ability to interact with senior management on a regular basis
- Strong organizational and project management skills
- Good analytical/problem solving capabilities

**Additional desirable qualifications:**

- Specific knowledge of the financial services industry
- Strong accounting and finance background

**Travel requirements:**

- Will be required to travel on an occasional basis to and from FTI offices and vendor offices.

**Supervisory requirements:**

- None

**C L O S I N G**

We thrive in a dynamic culture that is as rich as our tried-and-true investment philosophy and offer an opportunity for you to maximize your potential. We are committed to offering a competitive compensation package and exceptional benefits program.

**Highlights of our benefits include:**

- Three weeks paid time off the first year
- Medical, dental and vision insurance
- 401(k) and Profit Sharing Plan with company matching
- Company paid short-term and long-term Disability Insurance
- Employee Stock Investment Program
- Business casual dress
- Education assistance
- Purchase of company funds with no sales charge
- Onsite Fitness Center, cafeteria and convenience services
